2022 IT-Camp for incoming Grades 5 - 6 students and any parent/guardian who wishes to join
The Chemistry, Computer and Physical Sciences (CCPS) Department at Southeastern Oklahoma State University (SE) is proud to present the first-ever IT-Camp for Summer 2022! We want to invite your child and any Parent/Guardian to attend this camp. A parent/guardian can just sign up for your child to attend the camp if the parent/guardian him/her-self will not be able to attend the camp. However, if a parent/guardian alone wants to sign up for him/her-self to attend the camp without your child attending the camp, we cannot accept your application.

The IT-Camp will be filled with fun educational activities and is designed to encourage anyone who is interested in the areas of **Science, Technology, Engineering and Mathematics (STEM)**. Activities will include lectures, hands-on tutorial projects, a virtual IT field trip, a talk from an IT-Professional followed by a Q&A, as well as other exciting hands-on exercises.

Please complete this sign-up form **no later than the closing date of Friday, May 20th at 5:00 PM (local time).** Please make sure that we have an email address that can be used for communication before the camp.
Note: we reserve the right to give the seat(s) to different interested parties (e.g., pre-service or in-service teachers) if there are still seats available after the closing date.
