10	Volunteers	5	$0.00	$0.00	d)
11	Satellite IT camp co-host at Idabell, Oklahoma	1	$0.00	$0.00	d)
12	Satellite IT camp co-host at Marietta, Oklahoma	1	$0.00	$0.00	d)
13	Guest Speakers – IT Professional(s)	7	$0.00	$0.00	e)

The total estimated cost is $6,334.40.

Operational Notes:

a) Borrowed Equipment: Webcams and USB soundbars were borrowed from the IT Help Desk for approximately two weeks at no cost.
b) T-shirt Pricing: Costs vary by size; therefore, a total lump sum is reported.
c) Scratch on Raspberry Pi: Scratch 3 was installed locally on Raspberry Pi devices because the online version does not support the Sense HAT extension.
d) Volunteer Contributions: Volunteers and co-hosts provided their services without compensation as a contribution to the department and community. However, each was given a camp T-shirt as a token of appreciation.
e) Guest Speakers: Guest speakers were primarily IT professionals and alumni who participated voluntarily, many of whom hold senior or leadership positions in industry. However, each was given a camp T-shirt as a token of appreciation.
